

GOLDEN EAGLES

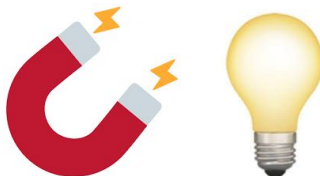

In September you will start year 3. Some of you might be nervous, you might be excited. If you get stuck, put your hand up and Mrs Stuart or Mrs Wilson will come to help you.

THE SCHOOL DAY

First when you come into the classroom you change your reading book and put your reading record in the box. Then you will be given a morning starter sheet to complete. Mrs Stuart will do the register. Then you will mark your completed sheet. Next it's time for maths. Mrs Stuart will show you a powerpoint, when the powerpoint is over you will be given your maths book and a target maths book. After maths you will have a 15 minute break outside starting at half past 10. After break you will do english until 12 o' clock. Mrs Stuart will read the lunch list. Then you will do prayer. Then you will go outside for 30 minutes. At half past 12 you will have lunch in the hall. If there's time afterwards you will go outside until 1 'o' clock. Afternoons are different everyday. On Thursdays we do PE.

TOPIC

There will be some exciting topics such as: WW2, North and South America, Rocks, electricity, Forces and Magnets and Plants.

THE BEST THINGS ABOUT GOLDEN EAGLES

Kind teachers, exciting PE and interesting topics.

PE

Any one of these exciting activities could be PE: rounders, football or dance.

EXTRA NOTES

I hope you have an amazing time in year 3. Remember Mrs Stuart expects fantastic work which I'm sure you will do.
