

Maths – Week Commencing 18<sup>th</sup> January 2021

Monday	<p>LO: To understand the standard unit of measure for capacity.</p> <p>In maths this week we are looking at capacity. Below is a useful link to BBC Bitesize with some great videos which answer 'What is capacity?'. <a href="https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm">https://www.bbc.co.uk/bitesize/topics/zt9k7ty/articles/zp8crdm</a></p> <p>After watching these videos, complete activity in today's learning on the school website.</p>
Tuesday	<p>Year 1 – LO: To be able to compare capacity practically.</p> <p>Year 2 – LO: To be able to show my understanding of unit of measurement for capacity.</p> <p>Using the knowledge gained in yesterdays lesson, can the children complete the activities in today's learning on the school website.</p>
Wednesday	<p>Year 1 - To be able to show understanding of mathematical language related to capacity.</p> <p>Year 2 - To be able to show understanding of capacity when answering word problems.</p> <p>Complete activity in today's learning on the school website.</p>
Thursday	<p>LO: To apply my place value knowledge.</p> <p>Watch video on the class page of the website.</p> <p>Complete activity in today's learning on the school website.</p>
Friday	<p>LO: To practise my 2 (Year 1) or 5 (Year 2) timestables.</p> <p>There are some ideas on how to help with timestables on todays home learning section on the class page of the school website.</p> <p>Your child is to complete as many of these questions as possible.</p>
