

LO: To observe birds and make a tally chart.

As part of 'Big Garden Birdwatch Week', I would like you to either get outside, if possible, or look out of your window and observe the birds that you can see. Each time you stop any of these birds put a tally next to the bird.

	Woodpigeon		Blackbird
	Carrion crow		House sparrow
	Starling		Black-headed gull
	Magpie		Blue tit
	Robin		Feral pigeon
	Great tit		Chaffinch
