

LO: To know my 2- and 10-times tables.

## Timestables

Complete the following questions.

$1 \times 2 = \underline{\quad}$

$2 \times 7 = \underline{\quad}$

$10 \times 8 = \underline{\quad}$

$6 \times 2 = \underline{\quad}$

$10 \times 1 = \underline{\quad}$

$9 \times 2 = \underline{\quad}$

$12 \times 2 = \underline{\quad}$

$10 \times 6 = \underline{\quad}$

$2 \times 10 = \underline{\quad}$

$11 \times 2 = \underline{\quad}$

$2 \times 6 = \underline{\quad}$

$3 \times 2 = \underline{\quad}$

$2 \times 9 = \underline{\quad}$

$10 \times 7 = \underline{\quad}$

$10 \times 9 = \underline{\quad}$

$10 \times 3 = \underline{\quad}$

$10 \times 12 = \underline{\quad}$

$2 \times 12 = \underline{\quad}$

$10 \times 5 = \underline{\quad}$

$3 \times 10 = \underline{\quad}$

$10 \times 11 = \underline{\quad}$

$10 \times 10 = \underline{\quad}$

$9 \times 10 = \underline{\quad}$

$10 \times 2 = \underline{\quad}$
