

Choose some objects from around your house. I have given you some examples below.

Place them into a container of water - any container will work but if it has see through sides it is easier for you to see.

Does your object float or sink?

What do each of these words mean?

## Float or Sink

<b>Objects</b>	<b>Float</b> 	<b>Sink</b> 
 <b>coin</b>		
 <b>pencil</b>		
 <b>cotton ball</b>		
 <b>crayon</b>		
 <b>rubber band</b>		
 <b>wooden stick</b>
