Robins Notes

Homework

Your child will receive homework weekly during this term, this will be work focusing on spellings, number bonds, timetables or work based upon learning done at school within the week.

More information on the homework required each week will be provided when the work is set.

We would encourage all children to read **daily** at home - reading books can be changed on Monday, Wednesday & Friday, if required, but we understand that some books may take longer to read.

This term we are focusing on getting to know each other and what our interests are therefore each child will be given a date, where they are encouraged to bring items into school to share with the rest of the class.

PE Kit

Your child is required to have their PE kit at school every day.

Autumn/ Winter

As the colder weather is approaching we will be anticipating some cold, rainy and potentially snowy/ icy weather. It is important that your child has a jumper and coat (warm and water proof) to wear during playtimes, lunchtimes, PE and any other activities which may take place outside during the school week. As the weather becomes colder your child may need a warm hat, gloves and scarf. On rainy days if your child walks to school in wellington boots please ensure that they have their school shoes ready to change into as they come into school.

Children's' belongings

Just a reminder that your child is increasingly encouraged to take responsibility for their own belongings to encourage further independence. To support us in this can you please ensure that all items of clothing and belongings are labelled with your child's names.

During PE sessions your child is also encouraged to tidy their own belongings into their PE bags. Please ensure that all items of their PE kit are also clearly labelled with their name.

Lockers

The children are allocated their own lockers at the beginning of the year where they store their belongings during the school day. Please be mindful that these lockers only provide room to store the necessary items that your child needs within school, therefore any additional items are not encouraged to be brought into school due to capacity to store these items.
