### A few updates

Monday 1<sup>st</sup> June 2026

Dear Parents and Carers,

A few things have changed over the past few weeks at school, so here are a few updates to keep you informed:

**New school website now LIVE!**

Please do keep up to date with everything that is happening in school by visiting our website regularly. The homepage will be updated weekly with school attendance, upcoming events and Teampoints.

[www.quadringprimary.co.uk](http://www.quadringprimary.co.uk)

Our school now has its own Facebook page!

Quadring Primary School

Lots of posts with photographs and videos already posted on here so please do take a look and follow us if you can. Please share the page with families and friends to get our school's name out there.

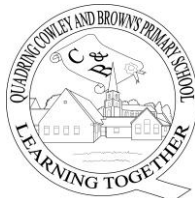

We are still in need of more sponsors for our swimming pool this term so please do share this post far and wide.

Thank you!

### Arbor system

We are continuing to use our new Management Information System and will be using this as our main form of communication with parents at present. Please do check your emails regularly as we are aware that many people are getting their emails sent to

## QUADRING COWLEY AND BROWN'S PRIMARY SCHOOL

Church End, Quadrang, Spalding, Lincolnshire, PE11 4SQ Tel: 01775 820302

their SPAM folder. If you find your emails in your Junk/Spam folder, please "Report as not Spam" to try and prevent this from happening in the future. We are also in discussions with Arbor themselves to see if we can alter this from our side.

Quadrang Primary School

## Welcome to Arbor

### CPOMs

From this week onwards, our school will now be using CPOMS (Child Protection Online Management System), which is the market-leading software used by UK schools, nurseries, and colleges to securely record, track, and manage student safeguarding, wellbeing, and pastoral issues.

#### How it Works

- Centralized Chronology: Every member of staff can log a concern, which automatically builds a chronological timeline of a student's history, making it easier to spot trends or warning signs.
- Instant Alerts: Designated Safeguarding Leads (DSLs) are immediately notified when a new entry is made, ensuring swift and appropriate action can be taken.
- External Tracking: The system helps track referrals to outside agencies (like Children's Services, the Police, or CAMHS) and alerts staff if deadlines are missed.

This is an in-school management system, used only by the staff and this is just an update for Parents and Carers to be aware of what is happening in school and assure you that we take safeguarding and behaviour extremely seriously and this is a change to help us ensure this is monitored, kept up to date and organised as best we possibly can throughout school in a modernised way instead of the paper based system we currently use.

### FOS Fruit and Veg Stall

Our Friends of School team have had the idea of a fruit and vegetable stall for people to be able to donate and buy local produce to and from. If anyone has any excess plants, fruit or vegetables that they have grown at home we would be grateful of any donations towards our stall – please feel free to bring them to the stall outside the front of school where other families can purchase them from. To purchase the goods, we are asking for a donation towards the FOS pot, made to the honesty box on the stall.

Many thanks

I hope you find these updates useful and will endeavour to continue with these kinds of updates in the future.  
Many thanks

Mrs Luffman
